**MELBOURNE, Fla., August 14, 2008** – Habitat for Humanity of Brevard County has announced it will be relocating to a new CIA Developers facility on Ellis Road. The nonprofit group, which is located in Melbourne Business Park off of John Roads Blvd, has outgrown its current 9,000 square foot facility. The new location on Ellis road will feature 22,000 square feet of office and warehouse space including their rapidly growing ReStore.

“It has always been our pleasure to assist Habitat for Humanity of Brevard County.” said Rick Kendust, Marketing and Leasing Coordinator for CIA Developers. “For such a large and far reaching organization, it was very important that they found a facility that perfectly fit their needs.”

Habitat for Humanity of Brevard County has been a longtime tenant of CIA Developers dating as far back as 1990 when they first located at Melbourne Business Park. Since then, Habitat has continued to grow requiring larger and more functional space to operate. The diverse portfolio offered by CIA Developers continues to serve the organizations needs with each successive move.

Habitat will officially be open at their new location, 7815 Ellis Road, Melbourne, FL 32904, September 1<sup>st</sup> 2008. A Grand Opening for the new facilities is slated for Thursday, September 18, 2008 from 5:30p.m. - 7:00 p.m. The public is invited to attend. For more information contact (321)255-5800.
